Deseret Academy

Teacher / Student Agreement

I understand the following requirements of Deseret Academy, namely:

- ▶ Students are to complete monthly assignments (homework completed and graded with provided answer keys; tests, textbooks, and homework completed and returned to Deseret Academy for grading).
- ▶ monthly tuition fee paid on or before date of monthly appointment
- ▶ additional fees paid if accrued (late fees, returned check fees, mailing fees, redo fees as per attached schedule)
- ▶ Failure to comply with any of these requirements will result in the loss of enrollment with Deseret Academy. Records will not be sent to another school until your financial obligations are met.

No tuition checks can be accepted from anyone other than the person's (or persons') name(s) listed below. If you must bring us a check from any other person, this information must be provided on the check.

Name of person(s) writing checks: _____

Driver's License number(s): _____

State issued? _____ birth date? _____

I prefer to be on a cash only basis: _____

initials of person paying tuition

your copy of the Attendance and Promotion Policy and Honor Code

I, _____, hereby promise that I will not cheat on my tests, and that I will do my own work. I will not receive any help in taking my tests. I understand that the reward for cheating will be a zero. The work for which I receive a grade will be my own work.

I understand that I can get help on my homework from friends, family members, or Deseret Academy teachers, but when I take the tests, I must work alone.

Once I've completed the homework, I will check the answers so that I know I am ready to take the test. I understand that it is necessary to complete the homework first so that I do not waste everyone's time and resources by failing my tests because I have not done my homework and checked my answers on the homework first.

I understand that some of the courses have rules and/or formula sheets that I may use when I am taking my tests since I am not supposed to use my textbook or homework while taking the tests. I understand that I can make up my own formula sheets as long as I turn them in with the test.

I also understand that I must complete all of the monthly tests and return them to my Deseret Academy teacher in order to receive a monthly grade. The grade for any test not completed or returned will be a zero.

I understand that in order to be promoted to the next grade, I must complete and pass with a C or better at least 9 months worth of work in each of the following subjects: English, Math, Science, and Social Studies.

I understand that I am required to complete 180 school days per year. This is approximately 20 days per month. In order to receive credit for 20 days worth of work, I understand that I must maintain a minimum grade point average of 2.0 each month. I understand that if I miss a school visit, I will be unenrolled from the school as this results in a loss of 20 days attendance.

Summer school is required for all students who have not yet been promoted.

For 9th graders and above: I understand I will be promoted to the next grade as soon as I earn the necessary credits. I must take a skills test in English and math to pass into the next grade unless I have earned a B average in those courses during the year. I also must have a 2.0 grade point average.

K - 8th grade: I must attend 150 school days and finish 9 months of assignments with a grade of C or better to be promoted to the next grade.

High School Course of Study Options

Before determining which courses will be needed for high school graduation, it is necessary to determine which of the 3 graduation options you desire. Please indicate your choice below:

1. The standard 24 credit option.

4 cred. in English	½ credit in life management
3 cred. in math including Algebra I	1 credit in physical education including personal fitness
3 credits in science	1 credits in vocational and/or performing fine arts
1 cred. in American history	8½ electives
1 cred. in World History	
½ cred. in American Government	
½ cred. in Economics	

2. The three-year,18-credit standard college preparatory graduation option requires:

4 credits in English	2 credits in the same foreign language
3 credits in math (Algebra I +)	3 credits in electives
3 credits in natural sciences	
1 cred. in American History	
½ cred. in American government	3.0 GPA with no less than a B in any required course
1 cred. in World History	
½ cred. Economics	

3. The three-year,18-credit career preparatory graduation option requires:

4 cred. in English	5 consecutive credits in vocational career courses, or
3 cred. in math including Algebra I	3 credits in vocational career courses plus 2 credits in electives
3 cred. in natural sciences	
1 cred. in American History	
1 cred. in World History	
½ cred. in Am. Government	3.0 GPA with no less than a C in any required course
½ cred. in Economics	

4. 4 year Special Diploma for students with disabilities:

2 credits in English	½ credit in life mgt
2 credits in math	½ credit in personal fitness
2 credits in science	15 credits in electives
2 credits in SS

next appointment:

location: You have agreed to meet us at the _____ Library

on the : 1st 2nd 3rd Tuesday of each month

You may come anytime within the hours designated. You do not have a set appointment. Everyone is pretty courteous about taking turns. Please allow time to wait in case there are a lot of students ahead of you.

Please try not to schedule other appointments during the time you need to meet with us. If a student is working, their employer needs to know they cannot work on the days you have school appointments. Employers are required to comply with this until a student turns 18.

Parents are not required to come with students to the appointments. We would, however, advise that you help them remember the appointment times, aid them in finding suitable transportation, and ask them for a copy of their report card. If a student cannot attend, please have a substitute come in for him/her.
